

3D/4D ULTRASOUND STUDIO

Gender Ultrasound Consent Form

The client understands that an obstetric ultrasound can never be 100% certain in determining the gender of an unborn baby. The client also understands that if Prenatal Paparazzi offers the predicted sex of the unborn child that it is simply estimated and in no way is the outcome certain.

The client also agrees to allow Prenatal Paparazzi to keep any images from the sonogram.

The client agrees, for herself and for her unborn child that neither she nor the unborn child, nor the respected assigns, heirs, guardians, or legal representatives will make a claim or sue Prenatal Paparazzi, its officers, directors, assigns, employees, agents, or independent contractors for an incorrect determination of the unborn child's sex.

I have carefully read this agreement and fully understand its contents. I agree to the terms and conditions listed above.
